**Consumer eligibility for MP tax credit is based on citizenship or immigration status:**

- Lawfully present immigrants = **ELIGIBLE** for tax credit
- US Citizens = **NOT ELIGIBLE** for tax credit as they will be eligible for Medicaid in Medicaid expansion states.

Lawfully present immigrants and US Citizens between 100%-250% FPL are **ELIGIBLE** for MP tax credit, and cost-share reductions (CSRs), if they choose a silver plan.

Lawfully present immigrants and US Citizens between 250%+ are eligible for MP tax credit to lower their monthly premium to a maximum of 8.5% of their annual income.

\*Lawfully present immigrants include but not limited to:

- Legal Permanent Resident (Green Card/LPR)
- Work Permit (including TPS)
